

A GUIDE FOR LOCAL RESIDENTS

Dear Local Resident,

Bellahouston Park will once again host Glasgow Summer Sessions in 2017. This year there will be only one show on Thursday 24th August: 5pm-11pm – EMINEM plus special guest Russ + Danny Brown + Run The Jewels

We understand the importance of communication with the local community and hope that by engaging positively with residents, we can minimise the impact of the event on the surrounding area. We have held a number of community engagement meetings which have enhanced our understanding of local issues

and helped shape our plans for the event.

The Glasgow Summer Sessions site will be located in the South of Bellahouston Park, adjacent to Mosspark Boulevard. Following our community meetings with all surrounding community councils and local representatives we understand and appreciate the importance of maintaining public use and access to as much of the park as possible. For safety reasons and keeping in line with construction regulations, we will have to restrict access to certain areas of the park during the build and break of the event from 13th August until 29th August. Restricted pathways will be serviced by alternative routes, which will be clearly signposted.
